Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

Who would expect from your dignified and staid manner that you require so much mothering from a partner? Your natural business sense and conservative nature in general might point to your hooking up with a real no-nonsense and even cool type. Not the case. You are attracted by feeling and emotional types, and a good strong display of emotion never put you off, although you may prefer it in the privacy of your home. You find it hard to be demonstrative, yet you love to be cared for and even babied.

Cancer on 7th Cusp

You need lots of love and attention, and you don't mind being mothered a bit, either. You like partners who are emotionally sensitive, supportive, and nurturing. A bit of mothering goes a long way with you.

Moon Ruler of 7th

You approach relationships with great caution and may even shy away from them. They are not something you are apt to take lightly. If you do enter into one, it is a very solemn business with you, even downright religious. You insist that any bond be a strong one and based on the most serious of reasons. You might just find it easier to join with God and live a religious life than to take a living partner. Not much given to flings, you may prefer to marry late or be involved in a marriage where one partner is much older than the other. Your social life may include priests, ministers, monks, and other very disciplined folks.

Saturn in 7th House

You depend on your relationships to learn about yourself. You tend to be intense and confrontive, and love to strip away the social amenities in a group situation and get down to the nitty-gritty. Others find you passionate and always interested in sensitive issues -- skeletons in the closet, and the like.

Pluto in 7th House

Report for Susan Sarandon Strengths in your relationships

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Sextile Pluto (orb: 02 02')

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Conjunction Neptune (orb: 02 30')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Sextile Venus (orb: 02 46')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Trine Uranus (orb: 03 30')

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

Sun Sextile Saturn (orb: 04 01')

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

Mars Conjunction Jupiter (orb: 04 56')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Conjunction Jupiter (orb: 06 40')

Challenges in your relationships

You may have difficulty expressing your feelings, with the result that tension accumulates to the boiling point. You may get the feeling sometimes that situations and other people unite to repress you, to hold you back. You probably have had some really harsh experiences, hard feelings. You feel you must push and strain to get anywhere at all. You would do well with a partner who can help you through the process of getting your feelings out without exploding.

Mars Square Saturn (orb: 00 04')

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Square Mercury (orb: 01 07')

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in working with the public, either. Your partner will have to understand that you are not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

Moon Square Jupiter (orb: 05 32')

A history of insecurity, possibly fear of confrontation and of getting to the heart of things. Competitive to the point of power struggles. Frequent blow-ups. Things tend to build up to the point where you go through some big transformation and start over. Your attempts to control relationships end with your feeling rejected. A very understanding, psychologically oriented partner is in order.

Mars Square Pluto (orb: 06 07')

Report for Susan Sarandon Your Relationship with Tim Robbins

You find Tim supportive when it comes to matters of your career. He understands where you are headed and how it is best to go about developing your practical and vocational side. With his help, you can make great strides in your managerial ability. He has an instinctual sense of your capabilities (of what you would do best) and he can't help but nurture you in these matters. He might be instrumental in getting you out of the closet and into the public eye.

His Moon in Your Tenth House

Whether he has conventional good looks or not, Tim has true sex appeal for you. Conventions go out the window and there it is, right in front of you. He has a way of cutting through any reservations you might have and exposing even your most secret thoughts. There is no use pretending you are anything other than you are. There can be no secrets between you. All this can be terribly exciting. He may be able to serve as a key to some important investment or other financial arrangement. You might inherit money through him.

His Sun in Your Eighth House

Here is someone you could talk to all night. Discussions almost always transcend the mundane and get right into the reality of things. You may not have thought you liked this kind of metaphysical conversation before meeting Tim. There is an almost religious quality to them. You may tend to look to him as some kind of authority or guide in matters of the spirit. These tend to be memorable conversations.

His Mercury in Your Ninth House

He finds you more sexy than just attractive. You felt this quality from the first. His appreciation for you is quite bare and direct. It cuts through words and needless explanations. You can't resist. It's as if he already knows the real you and likes what he finds. He handles the most sensitive areas of your personality without even asking your permission. He knows what to do. A very exciting condition.

His Venus in Your Eighth House

Any relationship with Tim is going to have real emotional overtones. He has a knack for getting you right in the pit of your stomach. It will never be dull, but it's not likely to be tranquil either. He has real opinions, and tends to push you to declare yourself and to send out roots. There is a drive to get you to settle down and make a home. He has a lot of energy behind this thought. It may be just what you need to stop postponing the domestic scene. He is a real experience.

His Mars in Your Fourth House

Tim may be a real leader or inspired teacher for you. Through him you may discover a more philosophical and religious side of yourself. You respect his integrity and judgment, and have no trouble following his lead, because he is always fair and knows the right way to handle things. You may have long walks and long talks. Traveling somewhere together would be ideal. He tends to open up your mind to new horizons, perspectives, and possibilities.

His Jupiter in Your Ninth House

Whatever this relationship may or may not be, it probably is not a social triumph. Tim may tend to be a damper when it comes to group or community get-togethers. Your friends may not like him, or he may be critical of the goals of a particular group. Any groups he might approve of would have very strict morals and ethics. He may simply not like to get together in groups.

His Saturn in Your Eleventh House

You may have met in an unusual, unexpected way. There is always this sense that he may vanish as quickly as he appeared. You never are quite sure what he is about to do next. There is a strong possibility that Tim was a key to introducing you to new people or a new crowd. Time spent together is fun and filled with a sense of adventure and discovery. He is good at sharing new ways to approach people and relationships.

His Uranus in Your Seventh House

Here is someone with whom you share a broad and far-reaching vision. Together the two of you are transported by late- night discussions and common dreams. He brings out the eloquent in you, and when you are with him you sense that you are part prophet and visionary. Your religious and philosophical ideas are in fine tune. There is a very heady kind of romance here.

His Neptune in Your Ninth House

Tim's influence could revolutionize the way you relate to other people -- your social life. You have found yourself re-examining ideas of marriage, social values, and relationships. He seems to exercise a strange power over you, and this was true from the very first time you met him. You may find yourself wanting to hide this relationship because you feel exposed. He is almost too personal at times. Knowing him amounts to a crash course in facing yourself.

His Pluto in Your Seventh House

Challenges in your relationship with Tim Robbins

From time to time there may be some hard feelings and harsh words between you. You may not feel like talking, or find that you can't support a lot of what he is saying. He may not be able to understand how you feel, and resents your attitude.

Your Moon Square His Mercury (orb: 03 41')

You may not feel very supportive of Tim, and he may not be able to depend on you as much as he would like. He seems to go against your feelings more than a little, and this could lead to many a confrontation.

Your Moon Square His Sun (orb: 03 52')

You won't support what you feel are unrealistic notions and fantasies on his part. His escapism does nothing for you. You feel he should learn to be more down to earth and practical. There can be much disappointment, and possibly deception, with this combination.

Your Moon Square His Neptune (orb: 07 40')

You may not appreciate his sense of independence, always having to do something different and unusual. You don't like surprises. It may go against your own set of values and thus be a cause for dissension.

Your Venus Square His Uranus (orb: 07 54')

How You Approach Relationships

You're a demon for details. There is no question in anyone's mind that you have got it all together, at least from an organizational standpoint. You are indeed cool, calm, and collected. Yet there is something missing. You yearn for contact and involvement. You need something to do and someone to care for. Talk about loving punishment -- you feel responsible for just about everyone, and tend to end up with some pretty hopeless cases. And we're talking major dreamers here. You can't resist them -- the woolier, the better. They need your help and can't seem to help themselves. The funny part is that you love it, and them!

Pisces on 7th Cusp

You have a penchant for dreamers, mystics, and the highly imaginative. You love to get carried away romantically, and your friends may find you are unrealistic and often disappointed. You like love right out of a romance novel, complete with a sense of mystery and otherworldliness. You value imagination in a lover, and probably love movies and music.

Neptune Ruler of 7th

Report for Tim Robbins **Strengths in your relationships**

You value independence in others, especially a lover. They must have some unique quality for you to take an interest. Your taste in friends runs to the unconventional. You appreciate variety in all things and are delighted when a partner comes up with a new and different way to get your attention. You don't like to be tied down. You probably have a penchant for inventions, electronics, and new-age technology.

Venus Sextile Uranus (orb: 00 09')

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

Sun Sextile Saturn (orb: 01 15')

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Sextile Pluto (orb: 03 30')

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Trine Uranus (orb: 03 33')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Sextile Venus (orb: 03 42')

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

Mercury Conjunction Neptune (orb: 03 59')

You tend to like partners that are authority figures, perhaps older, or dignified, in one way.

You are warm, appreciative, and tend to lavish affection on those you can look up to and respect in some way.

Sun Conjunction Venus (orb: 06 39')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Sun Conjunction Mercury (orb: 07 33')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Conjunction Jupiter (orb: 07 45')

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

Moon Conjunction Saturn (orb: 09 06')

Challenges in your relationships

A history of insecurity, possibly fear of confrontation and of getting to the heart of things. Competitive to the point of power struggles. Frequent blow-ups. Things tend to build up to the point where you go through some big transformation and start over. Your attempts to control relationships end with your feeling rejected. A very understanding, psychologically oriented partner is in order.

Mars Square Pluto (orb: 01 19')

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

Moon Square Pluto (orb: 08 37')

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

Moon Opposition Mars (orb: 09 56')

Report for Tim Robbins **Your Relationship with Susan Sarandon**

There is an odd sense of joy when you are around Susan. You feel confident and creative. There is often this sense of discovering yourself when the two of you are together. You tend to feel more protective and sensitive to animals, younger people, and children. You can be very emotional and expressive with Susan, and things tend to have a fresh, new quality. It is hard not to feel that all of this is good.

Her Moon in Your Fifth House

Susan is, above all, very supportive. If you have been looking for a genuine response to your special qualities, this should be it. Upon meeting her, you felt an instant trust and enjoyed a rare sense of security. She responds to you with warmth and appreciates who you are. It's the next best thing to having a mother! she may have a beneficial effect on your finances and resources too. She has a real instinct for handling money. In addition, other financial benefits may come to you through Susan.

Her Sun in Your Second House

She becomes very articulate when it comes to matters concerning your finances, resources, and possessions in general. You feel that she truly is concerned with what is best and most productive for you. Here is someone you can really talk to about subjects that most might find dull and unexciting. You find her suggestions to the point and almost always productive. You might like to take her on as a business partner just for her financial insight.

Her Mercury in Your Second House

Here is a real admirer of your mind and mental qualities. Above all she loves to share ideas with you, whether by phone, letter, or in person. There is endless chatter when you two get together. This relationship could find you waxing very eloquent and becoming downright creative. You might feel that your ideas and thoughts are worth writing down after being with her. She probably laughs at all your jokes and even dotes on the poetry you write.

Her Venus in Your Third House

Susan is quite direct and may tend to come on strong, even to the point of aggressiveness. Or, she may evoke a strong verbal response on your part. Whatever the effect, you will find that interchange with her has the result of moving you to think and to have new ideas. Communication will be brisk and may involve lots of emotion. You could find all of this refreshing, inspiring, and just what you need to set you going on some project involving writing or communication.

Her Mars in Your Third House

Conversations with Susan are more than just stimulating. You find them instructive, producing solutions to questions that you may have wondered about for years. She seems to have a knack for guiding you in just the right direction. You admire her mind and good judgment. She may encourage you to speak, write, and in some way communicate to a fuller extent.

Her Jupiter in Your Third House

She seems to be very hard on your sense of altruism. Your attempts to be charitable or to

sacrifice may be played down or belittled by her. She won't tolerate your feeling sorry for yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

Her Saturn in Your Twelfth House

She may have had an unexpected effect on your career or life direction. Susan may have come into your life rather suddenly and been a disturbing factor. Perhaps she urges you to break away and dare to try new things. She may provide you with needed insights, point out unusual opportunities. You sense that she knows what you are about and understands your situation. She could be, for you, an unusual but respected authority figure.

Her Uranus in Your Tenth House

No matter how dreamily romantic this relationship feels, it could have a very real quality if it extends to your finances or resources. Susan is an idealist of the first water and may not have the practical experience needed to make decisions involving money and property. She has the very best intentions, but you could experience a sense of loss through her. Better to enjoy her company and let the loss be all the petty details of life, rather than some real investments.

Her Neptune in Your Second House

She may exercise an enormous influence on how you view your role in life. Your whole idea of what you are here for and what it is to be human may be transformed. Susan has a way of separating the wheat from the chaff and getting right to the heart of things. Through knowing her, you may find yourself going through deep changes in attitude, discovering more compassion, self-sacrifice, and patience. She will put you in touch with the saint in yourself.
